

Eritrea: Webinars with the American Center

Project Title	Eritrea: Webinars with the American Center
Project Summary	Organize webinars with Eritreans! The American Center in Asmara is looking for students with organizing ability to recruit speakers on a monthly basis to speak with Eritrean audiences. You will get to know a completely different culture and introduce Eritreans to a host of American ideas and values.
Country	Eritrea

Project Description

The American Center Asmara organizes programming according to themes: January is business, February is African American history month, March is Women, April is Environment, May is Science/Technology, June is Travel/tourism, July is English language, August is youth, September is rule of law, October is education, November is health, and December is disability awareness. For each month, you would recruit a member of your community to host a webinar with Eritrean audiences. You would be the point of contact from the U.S. side.
